

Oral Presentation Guideline

- a. Oral presentation will be held on specified dates and locations.
- b. Abstracts are grouped by topic, numbered and listed in the program, and published in the abstract book (Respirology supplement).
- c. Presentation slides may be submitted in advance via email.
- d. Authors should save the presentation slides in a USB memory device and submit them to the Preview Room at least 1 day before the scheduled session.
- e. Presenting authors should be at the session room at least 15 minutes before the scheduled session. It is their personal responsibility to check their presentation beforehand.
- f. Each presenting author is given 7 minutes to present the paper followed by 3-minute open discussion (led by the Session facilitator).
- g. Oral presentation author must put Disclosure Slide sent by Congress Secretariat into their presentation slides.
